Anti-Displacement Tax Fund
Fact Sheet

About

Situation
Current English Avenue, Vine City, Atlanta University Center and Ashview Heights homeowners fear displacement in anticipation of community revitalization efforts driving higher home appraisals, property appreciation and ultimately higher property taxes.

Program Goal
No current homeowner displaced due to the inability to pay a rise in property taxes.

Program Function

Funding Source
As part of its mission to ensure that current residents are able to stay in their communities for generations to come, the Westside Future Fund will provide all funding for the program, sourced from philanthropic contributions.

Application Period
Application for the program’s first year will begin the day of the program announcement, April 12, 2017, and be available until March 15, 2018, at which point an annual enrollment period between January 1 and March 15 will be instituted. Participants must reapply annually during this period to continue with the program.
