Forecasting the Future for Mass Transit & Autonomous Vehicles

Tom Maguire
March 23, 2018
Excellent Transportation Options for SF

- Walk
- Bicycle
- Bicycle Share
- Rideshare
- Carshare
- Park
- Commercial
- Public & Private Transit
- Paratransit
- Taxi
- Drive
Transportation Makes Us Unique
Using Limited Space Wisely
A Changing Transportation Landscape

- Autonomous Vehicles
- Ridesharing/Carpool
- Microtransit/Private Transit
- Bikeshare
- Courier Network Services
- E-bike/Scooter Share
- Ride-hailing
- Carshare
Transportation Landscape Evolving

**TRADITIONAL**

I own and use my own transportation.

**TRENDING**

I own my transportation and access emerging mobility options.

**FUTURE**

I access a menu of emerging mobility options to meet my needs.
Emerging Mobility Guiding Principles

- Safety
- Transit
- Equitable Access
- Disabled Access
- Congestion
- Sustainability
- Financial Impact
- Accountability
- Labor
- Collaboration
City Tools

• Curb policy & pricing

• Street design and engineering

• Public engagement

• City real estate usage

• Congestion management

• Enforcement
“Science never solves a problem without creating ten more”

- George Bernard Shaw
Thank You
