

**The New EPA Stormwater Rule: How will it work for cities?**

Wednesday, May 29, 2013

Center for Neighborhood Technology

2125 W North Ave, Chicago

- 9:30 am Coffee and Continental Breakfast
- 10:00 am Welcome, Introductions and Opening remarks from Nancy Stoner, EPA
- 10:30 am What can we learn from existing programs and practices?  
Matt Millea, Onondaga County NY  
Charlotte Katzenmoyer, Lancaster PA  
Ken Anderson, Kane County IL  
Eric Schmechel, Dubuque IA  
Tom Price, Conservation Design Forum
- 12:00 Lunch
- 12:30 Presentation from the EPA on the new stormwater rule
- 12:45 Facilitated discussion on the draft stormwater rule, covering:
- EPA's goals for the rule
  - Mayoral/City priorities
  - How will the rule improve over current regulations in terms of:
    - Water quality
    - Flooding
    - Infill development
    - Equity in coverage
    - Cost to cities
    - Flexibility in implementation
  - What metrics will cities/developments be responsible for meeting and what is the baseline? What is the implementation timeframe?
  - Mechanics and implications of a watershed approach
  - Coordination with states, between EPA programs, between EPA and other federal agencies
  - Will technical assistance be available for MS4s?
- 3:45 Wrap up and next steps
- 4:00 Adjourn
