### SUSTAIN

<table>
<thead>
<tr>
<th>QUALITY OPERATION</th>
<th>- Financially sound “revenue-capture” model, capturing sales and property tax to support ongoing operations, operation running under budget, no fare required.</th>
</tr>
</thead>
<tbody>
<tr>
<td>MULTI-MODAL</td>
<td>- Support continued growth and integration of alternative transport modes (biking, walking, RideKC Bus).</td>
</tr>
</tbody>
</table>
| CAR-FREE LIFESTYLE| - Electric, zero-emission, downtown transit circulator  
                                - Long hours, frequent service, ease of use |
