8:00 – 8:30

**Breakfast**

Mayor Rocky Anderson  
Salt Lake City, Utah

8:30 – 10:30

**Renewable Energy for Cities**

Cities are leading the way to a renewable energy future for the U.S. By leveraging their buying power in the market and/or control of public utilities, cities are providing a greater supply of renewable energy to consumers and helping America achieve energy independence. This panel will discuss actions cities – both with and without public utilities – can take to increase the supply of renewable energy.
